

## Chinese New Year 14<sup>th</sup> February 2010

The Hanging Lantern Company is based in Ringmer, East Sussex, and is the UK's leading supplier of Chinese hanging lanterns, with over 150 different designs and colours available through its website - [www.hanginglanterns.co.uk](http://www.hanginglanterns.co.uk) .

We are currently searching for schools that are looking for a unique and special way to celebrate the Chinese New Year occurring in early February.

We are looking to donate some white hanging lanterns, enabling them to be used as part of a classroom display. In fact, Chinese symbols, animals (it's the year of the Tiger), or the child's name (written in Chinese) could be drawn on black or red card, and stuck to the lantern before hanging.

We would like to attempt to involve local press, and to use photos (with the schools/parents permission) on the charity pages of our website.

If this is of interest, and you would like some lanterns, please do not hesitate to contact us on 0845 465 5585, or e-mail us at [contact@hanginglanterns.co.uk](mailto:contact@hanginglanterns.co.uk) .

Many Thanks,  
Kind regards  
Rob
